## TWO GOOD GAMES.

### Morenci and Bisbee Divide Yesterday's Honors.

Upwards of fifteen hundred people went down to the base ball grounds, near the stock yards, yesterday to witness the game of base ball between Morenci and Bisbee.

After some delay the first game was called at 9:10 o'clock, with Morenci at the bat. The visitors were retired in one, two, three order, and for six innings Donivan had them guessing. Two runs were all the Morenci boys could get in the seventh after considerable hard work. They again scored one run in the ninth after some very clever playing.

Bisbee's crack shotstop, Tim Maloney, got around the bases in the second inning, which made the first run during this game. Cronk, Graf and Delaney each got a run in the fifth, when the score stood 4 to 0 in our favor. At the close of this inning the crown nearly went wild.

Bisbee again netted two runs in the lucky seventh and two in the ninth, making the score 8 to 3, in our favor.

The game was well played throughout, and but for a few instances, when wrangling seemed to be in order, there was nothing in the game that was not interesting.

### SECOND GAME.

The elite of Bisbee turned out en masse to encourage our boys in their second game with Morenci, and at no time during this game was interest in the game at an ebb. Our boys played to win, and we have no complaint to make about their not winning this game. As the score will show it was anybody's game from start to finish.

Our boys started in with a rush and seemed to find the ball at the start-off, and even after Morenci changed three different pitchers, we still kept landing it right out in the tall grass. Morenci found "our Mike" in the first inning and scored five runs on him. He went in the box for us in the second inning and pitched throughout the remainder of the game. With the exception of making several inexcusable muffs on easy flies at critical times and jawing at the umpire, Donivan pitched good ball.

The two teams saw each other for eight innings when Bisbee went to the bat with 17 to 21 with Morenci, or four runs to the good. With two men out and two strikes Frank Graf cut the ropes and let go the balloon and started the run getting for this inning. With a beautiful single to deep center he started Cronk around the bases. Delaney followed and planted a nice one over the short stop's head and brought Cronk home. Delaney died on 3d base. Donivan next up made a hit that gave him four bases. Hagler made a nice clean hit and was followed by Maloney, who hit the ball so hard the umpire gave him two bases. Heigler died at 3d. Locking next up picked out a nice one and took two bags, bringing Maloney home. Locking had a walk down to second and was advanced to third. Cronk hit out a nice one and Locking scored. Cronk was thrown out going to second. The score now stood 21 to 21.

For Morenci Poor, the first man up, struck out. Poorman singled and walked to second and stole third.

It now looked as though we would have to play another inning as Van Gorder had two strikes called on him. But Van fooled them he had his eye on the ball and pulled one that he sailed him and brought in Poorman and gave us a hard hit that brought base ball game as was ever played on our base ball grounds. The following is the tabulated score:

### STRIKE OUTS.

Everhardy was hit four times. Donovan's home run set the crowd wild.

Moore Moore on the coach line was a whole circus.

Jack Walters stop and throw to first was nice work.

The double play Maloney to Twomey in the first game caught the crowd.

The umpiring of both games was as good as could be had any where.

Cronk's throw from left to home was well done and caught the runner out.

Moore Moore was hit over the heart by a pitched ball and had to retire from playing during the second game.

Moore's long drive to center field netted him three bases and was the longest hit made during the two games.

J. W. Settle, chief clerk to the superintendent of the Detroit Copper Co., acted as scorer for the Morenci team and C. F. Nichols likewise officiated for the Bisbee boys.

W. B. Kelley, special correspondent of the Arizona Bulletin, Solomonsville, met the Morenci boys at Bowie and came over and rooted for them. Kelley is one of the push and helped out the scores in this very irksome work. He will accompany the team on their tour.

The Morenci team of base ball players is composed of as nice a lot of young men as can be found anywhere and by their gentlemanly conduct and clean ball playing won for them many lasting friends in Bisbee. They were royally entertained by our boys and nothing was left undone to make their short stay with us a very pleasant one. They left last night for Tucson to play a series of games there, whence they will go back to Morenci.

Just received, a nice line in dinner sets in decorated china ware, at B. F. Graham's.

The Phoenix Herald of Saturday contains a full column of the sensational killing of Andy Walsh, who is quite well known in this city. It seems Andy was on his way east and fell from the Southern Pacific train between Maricopa and Casa Grande being instantly killed. Andy is a brother to Miss Maud Walsh, an employee at the company store, and also of Mrs. Allen English of Tombstone. He is the son of A. D. Walsh, who about a year ago ran the Can Can restaurant in this city. Andy was a young man about 20 years of age and spent his early childhood in Tombstone. His many acquaintances and friends are pained to hear of his sudden demise and their sympathy is extended to his sisters in the hour of their trouble.

### A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended, and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering.—Yours truly, Mrs. Geo. F. Burdick, Liberty, K. I. For sale at Bisbee Drug store.
